

**Addendum #1**

**Regional Water Tank Project 2022 Directional Drill Bid  
Due Thursday, May 19, 2022 at 1:00 P.M.**

at  
Wayne County Water & Sewer Authority Office, 3377 Daansen Road, Walworth, New York

**RESPONSES TO SUBMITTED QUESTIONS**

**Question 1:** “For the 16" bore in Williamson, is the water authority providing access with matting for trucks and equipment to access the row in the back lot if necessary or should we include these costs into our bid?”

**Answer:** The Authority is not providing any access assistance, geo stabilization measures or devices regarding access assistance. Any such means or additional equipment to support mobilization and/or set-up is the responsibility of the contractor.

**Acknowledgement of receiving this Addendum must be included with the bid submission.**
