

## NOTICE TO BIDDERS

Notice is hereby given that sealed Bids are sought and requested by the **Wayne County Water & Sewer Authority**, Walworth, New York 14568 for Commonly Used Water Service, Water Main Repair and Maintenance, Meter Setting, and Sewer Materials.

A complete Bid Package may be viewed, downloaded and printed at no cost from the Authority web site, [www.wcwsa.org](http://www.wcwsa.org) after 5 p.m. Tuesday, June 6, 2023. Printed copies may also be obtained for a non-refundable fee of \$20.00 at the Office of the Wayne County Water & Sewer Authority. You may call Procurement Contact Peter DiBenedetto at 315-986-1929, make a request by FAX at 315-986-1687 or by email to [pdibenedetto@wcwsa.org](mailto:pdibenedetto@wcwsa.org) to request a printed copy be mailed to you upon receipt by the Authority of a check payable to the Wayne County Water & Sewer Authority for a non-refundable fee of \$20.00.

The Wayne County Water & Sewer Authority requests that all bids be presented in a plain sealed envelope marked **SEALED BID / Commonly Used Materials June 2023**. A Non-Collusive Bidding Certificate and an Affirmation of Understanding of Agreement / Certificate of Compliance for Procurement of Services are required.

Questions are to be directed in writing to the **Procurement Contact, Peter DiBenedetto** by Fax at 315-986-1687 or E-mail to [pdibenedetto@wcwsa.org](mailto:pdibenedetto@wcwsa.org) no later than Wednesday, June 14, 2023 at 4:00 p.m. Eastern Time.

**If you want to be considered as a bidder and receive any addendum in a timely manner, you must register your organization with the Wayne County Water & Sewer Authority on its web site, [www.wcwsa.org/bids/](http://www.wcwsa.org/bids/).**

Bids are to be received no later than **Thursday, June 22, 2023 at 10:00 a.m. Eastern Time** at the Wayne County Water & Sewer Authority office located at 3377 Daansen Road, Walworth, NY at which time they will be publicly opened and read.

The Wayne County Water & Sewer Authority Board reserves the right to reject any and all bids or to accept the bid it considers in the best interest of the Wayne County Water & Sewer Authority. All questions should be directed to Peter DiBenedetto at the Authority office.

## BID SPECIFICATIONS

Commonly Used Water Service, Water Main Repair and  
Maintenance, Meter Setting, and Sewer Materials.

WAYNE COUNTY WATER AND SEWER AUTHORITY  
3377 Daansen Road, Walworth, New York 14568

**BID SPECIFICATIONS FOR COMMONLY USED WATER SERVICE, WATER MAIN REPAIR AND MAINTENANCE, METER SETTING MATERIALS AND SEWER PARTS.**

The Wayne County Water and Sewer Authority (The Authority) hereby requests written bids for Commonly Used Water Service, Water Main Repair and Maintenance, Meter Setting, and Sewer Materials which shall meet the minimum requirements as described within the following pages.

**GENERAL PROVISIONS**

*Pursuant to the State Finance Law sections 139-j and 139-k, this Invitation for Bid includes and imposes certain restrictions on communications between the Authority and an Offerer/Bidder during the procurement process. An Offerer/Bidder is restricted from making contacts from the earliest notice of intent to solicit Invitation for Bid through the final award and approval of Procurement Contract by the Authority to other than the Authorities Designated Contact Person unless it is a contact this is among certain statutory exceptions set forth in State Finance Law section 139-j(3)(a). The Authorities Designated Contact Person for the Governmental Procurement, as of the date hereof is Peter DiBenedetto and is identified on the first page of these Bid Specifications. Authority employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four year period the Offerer / Bidder is debarred from obtaining governmental Procurement Contracts. **Further information about these requirements must be obtained from Peter DiBenedetto, the Designated Contact Person.***

The Authority requires that each bid submitted shall show the gross selling price, excluding Federal Excise and Sales Tax for Commonly Used Water Service, Water Main Repair and Maintenance, Meter Setting, and Sewer Materials.

Each bidder is required to review the specifications as published and complete the bid package as requested. Common Water Service, Water Main Repair and Maintenance, Meter Setting, and Sewer Materials may have similar specifications and may meet or exceed each other within individual categories as listed in these specifications. The bidder shall list on the bid proposal form any deviations, exceptions or variations to the conditions and specifications of this bid in sufficient detail to allow the Authority to compare and evaluate said exceptions.

All bids shall be submitted on the attached Bid Proposal Form, with all blanks fully and clearly filled in. No other form of bid will be considered.

Prices and information required by the proposal shall be typed or written in ink, all signatures shall be in ink, and bids submitted in pencil may be rejected. The Authority Board shall interpret or reject illegible or vague bids and the Board's decision shall be final.

Each bid will be received with the understanding that the acceptance thereof in writing by the Board of Directors, to furnish any or all of the items described therein, shall constitute a contract between the bidder and the Authority.

It is mutually understood and agreed that the bidder shall not assign, transfer, convey, sublet or otherwise dispose of the contract or of his right, title or interest therein, or his power to execute such contract to any other person, company or corporation without the previous consent, in writing, of the Board of Directors.

The bidder acknowledges that he is familiar with Article 5-A of the General Municipal Law and agrees to be bound by and to comply with the provisions thereof.

**Questions are to be directed in writing to the Procurement Contact, Peter DiBenedetto, by Fax at 315-986-1687 or E-mail to [pdibenedetto@wcwsa.org](mailto:pdibenedetto@wcwsa.org) no later than Wednesday, June 14, 2023 at 4:00 p.m. Eastern Time.**

**Any materials to be considered “as equal” should be submitted in writing, accompanied by printed specification sheets, to the Procurement Contact, Peter DiBenedetto, by Fax at 315-986-1687 or E-mail to [pdibenedetto@wcwsa.org](mailto:pdibenedetto@wcwsa.org) no later than Wednesday, June 14, 2023 at 4:00:00 p.m. Eastern Time.**

**Bidders must submit with their bid the latest printed specification sheet and advertising literature relevant to every item bid.** The data provided shall enable the Director of Operations, Executive Director and Board of Directors the opportunity to determine whether the equipment bid complies with the intent of the specifications as set forth by the Board.

**NOTE: This bid includes some items that must be certified AIS compliant with the capability of being certified for a specific project IF NEEDED (see additional information in the Bid Proposal Form below.)**

Bidder declares that the bid is made without any connection with any other bidder submitting a bid for the same item and is in all respects fair and without collusion or fraud. A signed Non-Collusive Bidding Certificate, a Bidders Affirmation of Understanding and Agreement/Certification of Compliance and an Offer of Disclosure of Prior Non-Responsibility Determinations are all required with the bid submission. Copies of all of these forms are attached.

Bidders are cautioned to verify their bids before submission. Bids, amendments or requests for withdrawal of submitted bids received by the Authority after the time specified for opening will not be considered.

All bids must be placed in a sealed envelope, addressed to the Wayne County Water and Sewer Authority located at 3377 Daansen Road, Walworth, New York 14568. The envelope shall be marked ‘SEALED BID / Commonly Used Materials June 2023.’ **All bids must be received by 10:00 a.m. on Thursday, June 22, 2023** at which time they will be publicly opened and read at the Authority Operations Center at 3377 Daansen Road, Walworth, New York 14568.

**This is not a line-item bid.** Awards will be made to the lowest responsible bidder for each category, based on the total of UNIT PRICES as shown on the Bid Proposal Form. **It isn't required to bid on every category, but for every category that IS bid, there must be a price for every item in that category.** Partial category submission will be considered a NO BID. Awards will be made as will best promote the public interest, taking into consideration the reliability of the bidder, the quality of the materials, equipment or supplies to be furnished, their conformity with specifications, the purpose for which required, terms of the delivery and availability of parts "in stock."

The decision with respect to the submitted bids will be made at the Board's discretion and all bids submitted shall be kept firm and in full force and effect until such date or until a decision is made by the Authority Board of Directors.

The Authority shall reserve the right to waive any informalities or to reject any or all bids and have the ability to award to other than the low bidder based on compliance with this specification.

**NEW TIME FRAME:** The Authority is seeking prices for a partial-year contract, expiring December 31, 2023. It is the intent of this bid to provide the Authority with organized procurement of common materials used over this period. The Authority has made the best reasonable effort to estimate its use of these materials, but may exceed the number specified or fail to purchase the number of items specified. All material will be ordered on an as-needed basis.

All prices shall include delivery to the Authority's Daansen Road, Walworth, location, without addition of a fuel surcharge. **Products that will require a lead time in excess of two weeks must be noted in the exceptions, with the anticipated lead time.**

A request for price change shall be considered by the Authority upon written notice from the manufacturer and the winning bidder, such written notice to be received by the Authority at least 45 days prior to the anticipated price change (the "Price Change Request".) If the Price Change Request is approved by the Authority, it will take effect at that time for future orders by the Authority and not retroactively. The Price Change Request shall not be greater than the increased costs incurred by the manufacturer, and in no event shall the Price Change Request be greater than five (5) percent of the contract price.

In the event that any of the materials, equipment or supplies become unavailable to the winning bidder of that material during the period specified in the bid, due to product unavailability or discontinuation by the manufacturer, the winning bidder shall submit specifications of potential alternate materials, equipment or supplies. If the newly submitted specifications are not acceptable to the Authority, the Authority may then award the bid for that material to the next lowest responsible bidder who can supply an acceptable product at their bid price.

## June 2023 Commonly Used Materials Bid Proposal Form

Quantities listed are an estimate of what the Authority might use for six months based on our usage history. The Authority has made the best reasonable effort to estimate its use of these materials, but may exceed the number specified or fail to purchase the number of items specified. All material will be ordered on an as-needed basis.

All prices shall include timely delivery to the Authority's Daansen Road, Walworth location without the addition of a fuel surcharge. **Products that will require a lead time in excess of two weeks must be noted in the exceptions, with the anticipated lead time.**

Title: \_\_\_\_\_

**Certificate of Compliance**

**under**

**State Finance Law Sections 139-j and 139-k**

The undersigned, \_\_\_\_\_, being the authorized representative of \_\_\_\_\_, the bidder (“Company”) in connection with the procurement of \_\_\_\_\_ (“Procurement”) issued by the Wayne County Water & Sewer Authority (“Authority”) hereby certifies that:

- (i) The Company is aware of, understands and agrees to comply with the recently enacted prohibitions on procurement lobbying as defined and set forth in the Lobbying Act, as amended by Chapter 1 of the Laws of 1995;
- (ii) Neither the Company, nor any of its officers, directors, employees, or agents, has attempted to influence the Procurement in a manner that would result in a violation of the Public Officers Law and/or the Authority’s Code of Ethics;
- (iii) There have been no findings of non-responsibility against the Company due to violations of the provisions of State Finance Law Section 139-j(3) or otherwise within the previous four years by any governmental entity;
- (iv) All information provided to the Authority by or on behalf of the Company in connection with the Procurement pursuant to State Finance Law Section 139-j and/or Section 139-k or otherwise is complete, true and accurate;
- (v) Neither the Company, nor any of its officers, directors, employees, or agents, has made any inappropriate or illegal contacts with the Authority in connection with the Procurement; and
- (vi) The Company understands and agrees that the Authority reserves the right to cancel any contract resulting from the Procurement in the event this certification is found to be intentionally false or intentionally incomplete.

IN WITNESS WHEREOF, I have hereunto subscribed my name this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ on behalf of the Company.

Signed: \_\_\_\_\_  
Title

## Offerer Disclosure of Prior Non-Responsibility Determinations

Name of Individual or Entity Seeking to Enter into the Procurement Contract:

\_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_

Name and Title of Person Submitting this Form: \_\_\_\_\_

\_\_\_\_\_

Contract Procurement Number: \_\_\_\_\_
